

Unlock the Secrets of Effective Succession Planning

Join our seminar to learn how to avoid common pitfalls when passing on your farm business.

Discover essential insights from experienced local professionals on advising and supporting family businesses through change. Use the seminar to ask questions and understand different options to consider for your business.

Why Should You Attend This?

This workshop will:

- Provide a range of models to transfer farm ownership, and the pros and cons of each
- Discuss different tax considerations and structures
- Discuss how legal support acts as a safety net
- Outline the importance of good support and taking the family with you

See you in Stratford on the 4th of December at the TET MultiSports Centre seminar room, 62 Portia Street, Stratford.
